Main Idea - We do fun things in school!

What supporting details support this main idea?

Main Idea - My family is special to me.

What supporting details support this main idea?

We have reading with Ms. French and Mrs. Bailey.

Every day we go to different specials.

My family always makes me smile.

Recess is exciting because we get to play outside.

They know what to say to make me happy.

Math groups are fun because we play games!

They are always there for me when I am sad.

I have nice brothers and sisters.
